by Charlene Rhinehart @ September 29, 2021 @ 61087

Ellie Diop

Sevetri Wilson

Sheneya Wilson

Millionaires in their 20s

- "Ellie Diop, a single mom of four, was laid off from her job in 2019. After applying
 to over 50 jobs, she decided to take matters into her own hands. Ellie used her
 \$1,200 stimulus check to invest in her coaching business. Since launching her
 business, she's earned over \$2 million in revenue, according to Business Insider.
- · "SevetriWilson achieved success early in her career. At 22, she bufituard company with zero capital. She even wrote a book about it cate Ground: How I Built a-Trigure Company at 22 with Zero Capitalhich outlines her journey and lessons learned."
- "SheneyaWilson was on track to earn a Ph.DAircounting and Information Systems. When her accounting and tax business started taking off faster than she expectedSheneyahad to make a tough decision: finish her academic program or focus on her business. She chose the latter, and now her business, FolaFinancial, is a sevefigure firm."
